## ANNUAL REPORT 2019- 20

Warm wishes and greetings for a blessed and cheerful. Good Afternoon to one and all.

First of all I would thank the Lord Almighty for being with us to overcome all the obstacles and run the show in a perfect manner. There is a saying “Real education fetches you all the achievements.” “The honest truth is that schooling is an absolute fundamental step to a successful life. “ It cannot be measured but felt. As we share the yearly updates of our activities we take the modesty to say that we did our best to do as we had planned and we are proud of our students and teachers who had strived hard to achieve beyond expectations. We had focussed on the development of our students. Our school has been well developed and recognised throughout these 9 years with the consistent effort and determination of our Chairman, Director, all the faculties and of course, our students. Now, let’s see the development of our school starting from the basic need .
